## Sources and Credits

This writing activity was downloaded from the Annie's Resource Attic web page at [www.annbrundigestudio.com](http://www.annbrundigestudio.com). Story and artwork are original and copyright 2009 by Ann Brundige. You may make as many copies as you want, but must include this page. Activity is not for commercial distribution. For details of the Creative Commons license, refer to the Terms of Use page on the web site.

This journal (Journal 7) should be used along with **Mayan Jungle Adventure**. It follows the seventh possible route, choosing the Yellow button to go into the tunnel, taking the right hall, reaching a room with a fountain, looking in a fancy pot, and meeting a big poisonous snake. The complete activity set includes a second book, a test, and off-computer activities. If you don't have everything, download the set from the Annie's Resource Attic web site.

Photographs and original 3D art by Ann Brundige, except as noted. Photos were taken in the Moody Gardens Rainforest Pyramid in Galveston, Texas. Room with the fountain is the entrance to the spa at The Boulders, Carefree, AZ. Portions of the ruins were generated in Bryce 3D v. 5.5.

Snake on the floor picture is a composite of the fountain room floor and the Welsh adder (stunt double for the Asian Temple Viper) from the video Snake video 24590609487\_1080p.mp4 by gailhampshire 1-2-18 (CC BY 2.0) Adder . Hen snake. Vipera berus via Flickr.com.
