This journal (Journal 8) should be used along with **Mayan Jungle Adventure**. It follows the seventh possible route, choosing the Yellow button to go into the tunnel, taking the right hall, reaching a room with a fountain, walking into the next room, and being warned off by a giant talking stone head. The complete activity set includes a second book, a test, and off-computer activities. If you don't have everything, download the set from the Annie's Resource Attic web site.

Photographs and original 3D art by Ann Brundige, except as noted. Photos were taken in the Moody Gardens Rainforest Pyramid in Galveston, Texas. Room with the fountain is the entrance to the spa at The Boulders, Carefree, AZ. Portions of the ruins were generated in Bryce 3D v. 5.5.
