This writing activity was downloaded from the Annie's Resource Attic web page at [www.annbrundigestudio.com](http://www.annbrundigestudio.com). Story and artwork are original and copyright 2009 by Ann Brundige. You may make as many copies as you want, but must include this page. Activity is not for commercial distribution. For details of the Creative Commons license, refer to the Terms of Use page on the web site.

This journal (Journal 3) should be used along with **Mayan Jungle Adventure**. It follows the third possible route, choosing the Yellow button after falling into a ruined stone room, and includes walking toward a big stone head statue of an old man, the roof caving in, and vampire bats. The complete activity set includes a second book, a test, and off-computer activities. If you don't have everything, download the set from the Annie's Resource Attic web site.

Photographs and original 3D art by Ann Brundige, except as noted. Photos were taken in the Moody Gardens Rainforest Pyramid in Galveston, Texas.
